

ROBBIE HEMINGWAY PRESENTS:

67 BEST TEXTS

HEY, IT'S ROBBIE FROM VIPATTRACTION.COM

Welcome to 67 Texts.

You're about to receive 67 of the absolute BEST test messages to send her ;) Pretty cool huh.

How To Use This Report:

It's easy.

Just copy, paste and send her one of these 67 texts for instant success.

Decide which text is best to use for each situation by going through them and using the one which best identifies what you want to communicate.

Each and every one of these texts has been tested and proven to work

They all keep the power on YOUR side and make YOU stand out from all the other mediocre guys texting her the lame texts. .

You'll never have to sit there wondering what to send her, or stare at a blank screen when she isn't responding because what you sent wasn't exciting enough for her to text back.

I use these exact same texts every day of my life. They work better than anything you've ever seen ;-)

See the kinds of girls I'm with every day of my life that these texts work with [here](#)

Enjoy dude,

Peace

ATTENTION GETTING TEXTS

1.

"Speak"

They usually reply kind of angrily that you just gave them a command.

Reply with *"Hah, what are you up to?"* After a few more times, she'll get used to you texting her "speak" and will start responding.

2.

**"If I asked you what you were doing right now,
would it be something fun?"**

If she replies with "No"

You reply with... "Then I won't ask 😊"

3.

If she hasn't texted you back.

**"I remember my first time trying to respond to a text,
#Amateur"**

4.

"Wake up"

Robbie Hemingway

5.

**"What are you not doing
right now that you wish you
were?"**

Robbie Hemingway

6.

“I would say “hi, what are you doing” but then again...that’s what mediocre guys send 😏”

7.

**“Wake up...you put
grizzly bears hibernating
to shame..🐻zzZ”**

8.

"Where are you 🙄🙄"

9.

"Hey suspicious"

Robbie Hemingway

10.

"Hey pervert"

Robbie Hemingway

11.

"Where are you and those plump lips at?"

Robbie Hemingway

12.

"wyd"? - *This means "What are you doing". If asks what that means, act appalled and poke fun of her for not being hip."*

13.

**"Stop what ever you're
doing... Spontaneous trip
to where? You first, Go"**

Robbie Hemingway

14.

"hmmm..."

Robbie Hemingway

15.

So, I was thinking...

***Let her respond with, "about what?"
Boom, you got her interest and attention
now."***

16.

"We're going to play a game..."

let her respond

you: For every picture I send, you have to send one you have to send me one back.

Each picture has to be equally as intriguing as the one sent prior.

This can get fun

Let her respond

You: It's...adventurous but fun I'll let you start..Go.

Robbie Hemingway

17.

So i just read this story..this 57 year old woman swam the english channel and it reminded me of you because you swim..but..

Let her respond..Then you text back-

Yea that's pretty insane, although you aren't nearly as cool as her to be able to accomplish it..because after all...you ARE X

You can make up a story about anything (doesn't have to be swimming) it can be anything she does, as long as you poke fun at her for not being as cool as the person who did it because she is X..blonde, not as hot as, not as old doesn't have cankles like her, etc...You can make up anything for X.

18.

" So I was just talking to my friend about X and i was dying lauging...
remember that one time when we X.

Let her respond..Then you text back-

"Yea that was pretty hilarious. We're well overdue for another
adventure..pick a day next week. It's on ."

**Be authoritative. Already assume you're hanging out next week, you're just
giving her the option of selecting which day SHE gets to see YOU."**

19.

"Smh 🙄"

*(smh means shake my head as in disappointment)
again, if she doesn't know what smh means you can
poke fun at her for not being cool.*

20 (PART 1).

If you know she hates or loves a certain type of food..use that to your advantage. Example.

You're at the grocery store and you see shepherds pie and she told you she hates shepherds pie...Take a picture of it and send it to her and say:

"Guess what I'm eating tonight..don't you want some in and around your mouth 😊"

" She will say something like

"EW I hate shepherds pie lol"

If its a food she likes, you can use it as an opening to invite her over. Send her a picture of her favorite food and say:

20 (PART 2).

"Someones favorite food just fell
into my hands..." [Picture]

She will reply something like

"OMG my fav!"

Then you text back-

"Cancel the plans that you don't have yet and come over for dinner at 8...someone other than me has to taste this perfection... I'm talking about the food, don't get dirty thoughts creep 😊 "

If she says she can't make it, text her once you've cooked the food and are ready to eat it.

"...Damn, perfection doesn't even begin to describe what this tastes like..maybe next time you'll make the right decision ;)"

The trick is that you're stimulating her visual, and taste senses at the same time

21.

I found this picture of you (send her picture of a really ugly woman followed by these emojis 😂😏)

She will respond with something like

“What the hell that’s mean”

You respond with,

“Well I had to get some shock and awe out of you ;)..now that I have your attention..”(continue with what ever you want to talk about)

22.

Send her a funny meme that pertains to her. If she likes cats just go online and search "cat meme"

Send her one of these with this message,

"So..Reminded me of you 😊"

23.

You alive out there? Or did you get abducted by aliens yet 🙄?

24.

**Just decided to put my sex services on sale today..."will work for post sex grapes"
offer only good until midnight..unless we last longer 😊

(Use this after you've already had sex with her before)

25.

"So...kinda had a sex dream about you...But I dunno if I can tell you"

Girls will say OMG tell me!Then make her work for it a bit for you to tell her. Use this after you've already had sex with her before

26.

**"You.Me.Tonight.8pm...oh ya btw,
hi."**

27.

**"Text me when you wake up from
you winter hibernation."**

28.

"WYD amateur?"

Robbie Hemingway

“Let’s play a game..let’s not text any basic stuff to each other today..you know, stuff those other mediocre people text..”

30.

"I was thinking...you've been texting me wayyy too much. You're kinda getting stalkerish."

31.

Let her respond...

you: she tricked me because of her nice ass and legs..thought it was you 😊

33.

I cast a spell on you to have a sex dream about me tonight 😊

let her respond.

You: Ya, the guy at the mcDonald's check out window only charged me 99 cents to cast it on you too...Talk about a good deal.

let her respond..

You: It might get weird though...if you have sexual fantasies about a big mac instead let me know...I'll go get my money back from him.

Let her respond

You: Let me know how good it is tomorrow morning..if know anything about myself..it'll be a really fvcking good one.

34.

I would ask how your day is going...but I don't do mediocrity like all the other guys texting you ;)...So instead, tell me, what's one thing you've always wanted to do?

35.

"If you're having a sex dream about a midget right now, don't text me back...don't wanna disturb your hopes and dreams.."

36.

*Pick a funny youtube video then send her the link
and say*

“Watch this, trust me you’ll love it ”

37.

Did you see what Rhianna did yesterday?

she'll say, "no what?"

You- I dunno, probably something boring, anyway lets hang this week I got reservations/plans at.....

38.

Send this next text right after-

like the other basic guys who text you
so I had to send you that..it felt
disgusting**
